

Breakout Group 1

**Needs something
with more ease of
use instead of
asking friends or
family to help build
out better sites**

**Apra PA uses Wild
Apricot who forces
you into a payment
system bc of high
fees if you use other
systems**

**Seeking less
manual, less tedious
processes within
the association
management**

**Add
technology
chair to a
chapter**

Breakout Group 2

**CARA added a
tech chair this
year (as of Jan
2023) for the
first time.**

Breakout
Group 3

**Paypal not
being used for
a lot of
systems now**

**FL- uses Wix (has a
mobile app which is
nice); OH - uses Wild
Apricot; MN - uses
Wild Apricot; MD -
Wild Apricot; MoKan
- Wild Apricot**

Breakout
Group 4

Question regarding integrations, and options for customization. - Allows tester emails.

Star Chapter appears to be a great alternative to Wild Apricot. In terms of website design, it has numerous options for designs.

layout is universal, appears in communications as well as website layout and in other areas.

Technical challenges with wild Apricot seem universal.

Always ask what their customer service is like if there's an issue

Board member or outside help with setting up the website?
